EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

a) In the Title

Before "Merged", insert -- Method of Forming--

Reasons for Allowances

The following is an examiner's statement of reasons for allowance: the limitations of claim 18, lines 6-13: the removing portions of the dielectric layer to create covered portions and bare portions, the depositing of gate material, the doping of the first fin structure, source, and drain, with a first material and the second fin structure, source and drain with a second material, and removing a portion of the gate material over at least one covered portion, cannot be found in the prior art of record. The prior art of record fails to teach, in combination, the process features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
